### USING YOUR PROTECTOR

Only use your protector when playing cricket. It is not designed for other sports. This protector is designed to protect against its intended use. Please use other protective equipment where necessary.

Your protector has straps for tightening; please adjust as necessary for a good fit and maximum comfort. Please contact your local cricket specialist for assistance if needed. Every time you use your protector, check nothing is badly worn, torn, cracked or missing.

### PRODUCT CARE

Do look after your protector. Misuse can impact the integrity of the product. Keep your protector away from chemicals. Store away from heat and sunlight. Alterations can reduce the strength and performance of your protector. To clean, wipe with a damp cloth. Avoid submersion in water.

### REPLACING YOUR PROTECTOR

Dependent upon the regularity and severity of use, your protector should have a minimum service life of 3 years but please get a new protector if you can see or feel any damage or if it doesn't fit you anymore

### IF YOU NEED ADVICE

If you are ever in any doubt about your protector, ask your local equipment dealer or write to us.
